

## ICN Board Meeting Minutes

November 9, 2015

Present: Mandy, Megan, Andrew, Doug, Peter

### **Rapid-Fire**

- Everyone checked in to be sure that we were all set for the event.
- More updates on this soon! It was a hit!

### **CCRG (Collaboration Challenge Research Grant)**

- Monies for this grant are donated from departments across campus.
- We have had lots of meetings and quite a few more are being set up.
- One grant is funded but we would like to offer at least two grants.

### **Spring Seminar : *Interdisciplinary Development (History, Concepts and Current Examples)***

- The seminar will be on Thursdays from 3-4 pm this year.
- Some speakers are set and we are contacting more over the next few weeks.
- We are working on a syllabus, compiling relevant readings, and planning assignments.
- Efforts are being made to change the housing of the seminar so that it wouldn't be a BIOB 595 since some of us need to diversify our 595 credits so that they continue to count.

### **ICN Social**

- It has been a while since we hosted a social event.
- Megan is working on pulling this together.

### **Board Member Recruitment**

- Three of the current board members will be graduating in the spring.
- We need new volunteer board members to help make decisions and keep different programs running. We figure that most board members spend on average 5 hours a week on ICN related activities.
